

## **Student Council**

A Student Council provides an opportunity for students to engage in a structured partnership with the principal, teacher educators and the college administrators in the educational process of the institution. This can result in strengthening their bond and belongingness towards the Institution.

### **Objectives**

- 1) To represent the student body in all matters pertaining to the betterment of the college.
- 2) To foster communication among students, administrators, staff, and the community.
- 3) To promote, and encourage students to participate in curricular and co-curricular activities to enhance their potentiality and the college spirit.

### **Formation of Student Council:**

- Students elect their representatives by using secret ballot system.

**The Student Council body in the year 2017-2019 are as follows:**
