

## **Guidance and Counseling Cell**

Counseling Cell of the Institution is one of the best practices it can boast of. The Guidance and Counseling Cell is looked after by teacher educators. Apart from the main in-charge the other teacher educators also take up specific roles in the activities conducted. The cell identifies students who require services on priority along with their areas of deficiency and suggests the improvement required. The students once identified, are given academic as well as personal counseling.

### **The Cell is established to achieve following objectives:**

- To cater to the mental health of the student teachers and the staff
- To train student-teachers in basic Counseling skills
- To create awareness about the issues and problems related to the mental health of school students

### **MEETINGS:**

Every year, two meetings are held of the members of the Counseling Cell in the beginning of the year to plan for the activities for the entire term and the second meeting to take the stock of the activities conducted in the foregoing term.
