

Student Council

A Student Council provides an opportunity for students to engage in a structured partnership with the principal, teacher educators and the college administrators in the educational process of the institution. This can result in strengthening their bond and belongingness towards the Institution.

Objectives

- 1) To represent the student body in all matters pertaining to the betterment of the college.
- 2) To foster communication among students, administrators, staff, and the community.
- 3) To promote, and encourage students to participate in curricular and co-curricular activities to enhance their potentiality and the college spirit.
