MISSION:Advancement, Development and Empowerment of women.

MOTTO:Women are the real architects of society.

OBJECTIVES:

- To develop an empathetic outlook towards women issues.
- To protect and promote interests of women.
- To sensitize students about various gender issues.
- To provide opportunities to extend services towards resolving gender related issues.
- To resolve the gender related issues in Institution.

The Institution always provides a congenial working environment so that any woman employee or student is not subjected to gender specific discrimination. If there are any complaints or grievances related to woman, the case is referred to the Women Cell for immediate action.

The Women's cell was started with the aim of empowering and orienting women to recognize their true potential and to help them attain their own stand in a competing world. Its goal is the overall development of female students in all spheres of their life. It also helps in creating awareness about important issues related to women and provides a forum for discussion and deliberation on a range of issues from empowerment to environment. Women's Cell seeks to mould the young women force in the campus to achieve thriving mile stones of success in their life. It also seeks to empower young women to attain emotional, physical and mental freedom to withstand the changing phases throughout their life. Women Cell functions with the added aim to enhance self-esteem of young women and empower them in taking pertinent decisions. Other important objectives include giving career guidance, functioning of a counselling centre, conducting health awareness classes, arranging classes about community living and giving them a hands-on training on craft work and social work.

A Committee headed by the Principal, is formed to plan and execute the objectives of Women's Cell. The Committee consists of Principal, a staff member and student representatives. The members of this Committee of the Cell meet at regular intervals to discuss about the plan of action.

The women cell plans to organize motivational and developmental activities, which include Guest lectures, Awareness drives, Community services, Competitions, Celebrating Women related days and events, conducting theme based assemblies, etc.
